## 52X DVD Tracer Pro

THE DVD TRACER PRO SERIES is a full featured line of DVD dual format duplication towers that supports DVD – R, DVD + R, dual layer and CD R recording. Users can utilize the functionality and benefits of both DVD – R and DVD + R and convert from one to the other, while enjoying fast write speeds of 16X for DVD and 48X for CD. A very user friendly interface combined with one button operation allows any novice to quickly and easily duplicate high volumes of discs and realize a fast return on investment/low cost of ownership. Multiple cooling fans and a ruggedized enclosure make the DVD Tracer Pro the most reliable system available today, with 100% duty cycle performance. Available from the leader in CD and DVD R duplication, printing and destruction solutions, Condre Technology.
